

BLUESOUND®

TS100 | UNIVERSAL TV STAND FOR PULSE SOUNDBAR

The TS100 TV Stand for the PULSE SOUNDBAR is the ultimate solution to adding high-res audio to your HD TV when space is limited. Fit your TV to the top of the TS100, and then using the PULSE SOUNDBAR's supplied wall mount bracket, simply place the soundbar beneath the TV for a seamless one-piece look.

Engineered from heavy-duty 4mm steel with a matte metallic black finish to match your entertainment system, the TS100 combines your TV and PULSE SOUNDBAR into a single unit, and allows you to discover a whole new world of sound. It's the best way to add the PULSE SOUNDBAR to your existing TV setup, and supports up to 65" screens with flexibility to adjust the height or tilt of the television.
